

17th July 2026

Dear Parent/Carer,

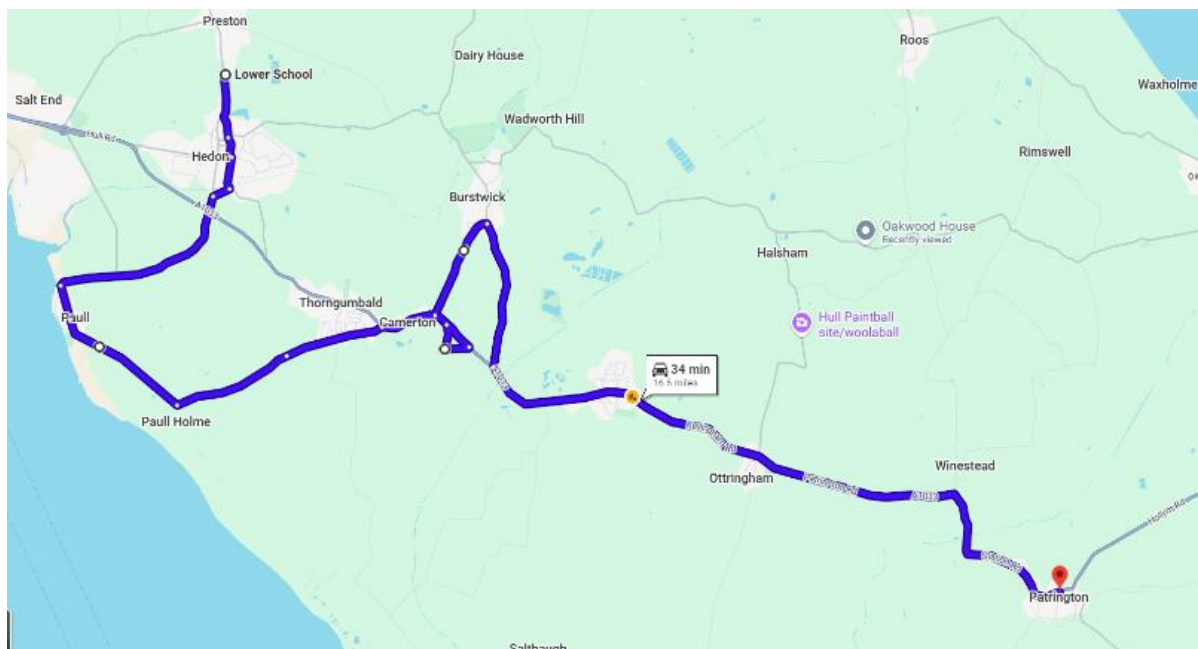

Improvements to the late bus service September 2026

In the new academic year, as of w/c Monday 14th September, we will have an upgraded late bus service providing transport home from school, leaving at 4.10pm on a Monday, Tuesday and Wednesday. We have added another bus to service students who live in Hull which has also made the routes servicing the East Riding a quicker and more direct journey.

These changes have been made due to student and parent feedback and our desire to provide more opportunities for all students to access our extensive extra-curricular activities. Please see attached the timetable of activities for the Autumn Term.

Bus routes are outlined below.
